- > As OE fitment, no drilling required
- > Once fitted the system is indistinguishable from factory fitted units
- > Plugs straight into the existing Land Rover wiring loom and fuse board
- > Easy to install as components are pre-assembled
- > Kit uses a high performance condenser which eliminates the need for an extended nose cone
- > Parts interchangeable with Land Rover parts

What better way to
protect your Land
Rover seats than
these waterproof
covers from Britpart?

- > An extensive range of quality and stylish waterproof seat cover sets.
- > Front and rear sets available with headrests and armrests included in the Range Rover and Freelander range. Rear inward facing sets are also available for the 7-seater Discovery models.
- > The hard-wearing washable covers are made from waterproof woven polyester with a PVC backing.
- > Snug, tailor fit covers available in 3 stylish colours.
- > Easy to put on the seats and just as easy to remove again.

WIND DEFLECTORS

DA4175

DA4174	Discovery 1	Front doors only
DA4175	Discovery 2	Front doors only
