Cubby Box Premium

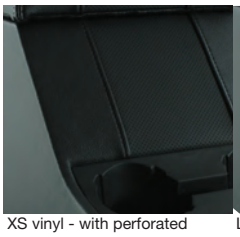

EXMOOR

The premium cubby box is for those who are looking to make the inside of their Defender luxurious, the premium cubby has 50mm padded lid which is at the correct height for improved comfort and arm support between the seats. The cubby has four individual moulded feet which will fix straight into the pre-drilled Land Rover fixings on most Defender models. It also has a moulded plastic cup insert and the inside of the box is fully carpet lined for the more luxury look. The lid has a clip catch to help prevent lifting and rattling.

Bulkhead Removal Bar

BEARMACH

This popular kit removes the upper portion of the Defender load-space dividing bulkhead, allowing you to fully realise the front seats reclining facility. Installing a Bulkhead Removal Bar offers driver and passenger extra comfort on longer journeys at the same time providing easier access to items in the rear of the vehicle.

Standard Seat - Front Full Set

EXMOOR

Exmoor Trim now produce a range of Series II and IIa seating that is simply as good as it gets. The front seat cushions and squabs although now using modern high quality foam, have superb feel and ride, with the metal back plates beautifully reproduced as original and not with a substandard wooden frame - an important safety factor. Metal backed squabs were only ever used.

Hi-Back Extreme Mk2 Seat

EXMOOR

These new Hi-back Extreme seats install straight into your existing mountings, offering a good cost effective seat that looks and is the part.
With a very good all round comfort level and twin stalk adjustable headrest that can be easily removed with the quick release retaining tabs.
The Hi-back Extreme can also be easily fitted with internal seat heaters and pneumatic back lumbar support. The moderately raised sides to the cushion shape give that much needed extra hold and support from the old leaf spring ride.
The seat backs are all steel internal frames with adjustable headrests and internal diaphragms for a solid and safe seat.
Available in a wide range of materials or ""bespoke"" as shown here in some of the pictures. With colour coded piping on request.

Front Centre Seat Complete

EXMOOR

Defender front centre seat. We have options on our front centre seats that allows you to have a centre seat with or without a headrest. The headrest option is not available at a later date.
So if you think you require a headrest for this seat you will need to order the correct seat. The seat base is removable to allow access to the inspection plate and locates into the existing mounting points. We recommend either a static lap belt or a 3 point inertia floor mounted belt.

EXMOOR

The Elite seat comes fitted as standard with seat heaters, wiring loom as well as dashboard switches and pneumatic lumbars or we can install OEM seat heaters on request to allow for direct plug in, if your Land Rover is factory fitted with the winter pack.
The seat offers higher backrest with adjustable headrest and side impact pads, will recline as normal and with a removable extended seat base for much improved support especially for the taller driver. This seat is very comfortable and we are delighted with the end result not just with comfort levels but in car styling is just as important. Approved by Vehicle Certification Agency (VCA) Mark 1 Impact Testing (Millbrook Testing Ground). Approved worldwide and certification supplied with every seat.

Premium High Back Seat Second Row (Set of 3)

EXMOOR

One of the key features of these seats is the adaptation in use, for instance you can safely install just 2 outer seats only and allow access through the centre to the rear seats or simply just install one. All these seats are available as either left hand outer, centre and right hand outer. The seats are also very supportive and extremely comfortable for long journeys.
These options make the seats very versatile and offer increased leg room and good head height with the ability to fold the seat backs down flat against the base if you require extra space for loading larger items (you may need to remove the headrests depending on your front seat position). With only 2 seats installed fitting of a centre storage box is a great idea or simply leaving a gap for rear access is great with 2 of our rear lock & fold seats that compliment these offering a huge improvement in rear passenger safety especially where children are seated and easy access.

Rear Bench Seat Hinged - Complete (Side Facing)

EXMOOR

Rear bench seats are manufactured to blend with your Land Rover interior by using the same frame as were originally used. This enables you to install our metal backed bench backs and cushion pads with your original frames if you have them, or you can simply install the complete set.
The seat is supplied with all fixings and mounting hardware as well as retaining straps for when the seat is stowed away.
We recommend only lap type belts with this seat.

Premium Lock & Fold Rear Forward Facing Seats Child Approved

EXMOOR

The lock and fold seat is proudly presented to you by Exmoor Trim Ltd. This is a new approved rear seating for children and adults alike. This seat has been tested to the highest standards and approved by the VCA (Vehicle Certification Agency) to be able to accommodate any adult or child and give security, protection and also ability to hold a restrained child seat. The lock and fold seat belt kit is supplied with the seat and we attach the buckle to the seat for you on assembly. The additional child/booster Safety Seat for Child seats aged 3 to 9 is not included, though is available as an extra option trimmed in Land Rover fabrics.

Design features and ergonomics:

The seats are contoured to fold away neatly and to give the maximum hold for an adult whilst also offering support to hold a child seat in place when used with the seat belt.

The seats when not in use stow away on the wheel arches leaving the retained use of the load area, the seats will only fit a vehicle with a standard square wheel arch in the load area.

- All components passed all testing requirements as a finished seat.
- Seat supplied with testing certificate.
- Seat is supplied with all fittings, under floor load plates and all floor locking.
- Seat belt kit is also supplied
- Seat and seat belts are TUV, EU, UN approved.

Front Outer Seat Base (Single)

EXMOOR

The front seat base will fit all Land Rovers from 1985 to date. Exmoor Trim manufacture a high quality base to last as long as possible for this type of base. The welded covers always crack and give along the seams first, therefore we sew all our joins. The seat base will fit either side and is simply removed by lifting the front and releasing the retention bar from the plastic front clips, the rear of the seat base fits with locating pins at the back of the seat frame.

Nylon Waterproof Seat Covers

EXMOOR

Nylon waterproof seat covers from Exmoor Trim are manufactured from an exclusive waterproof material that is totally non slip.
This means that you won't slide off the seat and the cover won't slide on the seat fabric.
All our waterproof seat covers are specifically tailored to fit each seat. This guarantees they will enhance the interior unlike a baggy seat cover.

Camouflage Tree Effect Protective Seat Covers

EXMOOR

Camouflage tree effect 3D waterproof fabric is used to create these great hard wearing seat covers with black leatherette piping and all panels and seams are double stitched to take some serious punishment. Made from a nylon canvas face then bonded to a heavy duty rubber backing for maximum strength and durability, this is a very hard wearing material. Can be machine/hand washed on a cold wash with minimal detergent.
Front seats for example are supplied as separate head rest for single or double stalk front seat, individual back and base covers with 3 additional large rear storage pockets on each seat back.

Carpet Mat Set (3 Piece)

BEARMACH

"Hard wearing mat sets specifically shaped to suit all Classic Range Rovers.
All mats have in-built heel pads on both sides for longer life."

BA 048B	Charcoal Grey - 4 door	Range Rover Classic

Moulded Mat System
EXMOOR

These durable mat systems improve sound deadening and heat transfer from the gearbox and exhaust system. Providing excellent protection from dirt they are easily cleaned.
Made from polyethylene, giving a very hard wearing product. Includes section for seat box.
The Defender front matting system is the only one available that is approved by Land Rover and the Ministry of Defence.
Already fitted to most military Land Rovers and used in extreme environments, this kit has proved itself to be up to the job time and time again.
Supplied as a 2 or 3 piece kit with the floor and tunnel in one piece with the seat box totally covered and the bulk head centre.
Approved at Millbrook testing ground, reduces the noise and heat levels in the front to below required safety standards. You will need to clear the holes to suit your vehicles required seat mounting points or any other equipment you may have installed.

- Easy to clean
- Heat deflective
- Water repellent
- Extremely hard wearing
- Acoustic rubber underside for noise suppression
- Drastically reduces noise.

Hardura Tunnel Kit

EXMOOR

Exmoor Trim have reproduced the original interior finish for the Series 2 & 3 cab interiors. The Hardura was widely used as the standard interior finish for these early Land Rovers.
The Hardura is a plastic coated felt with bound edges. The material is very hard wearing and offers a wipe clean surface.

Mirror Arm (Towing) 260mm Long
BEARMACH

The Bearmach extended mirror arm assemblies can provide the driver of the vehicle with a greater field of vision when towing large trailers and caravans. With a strong and durable arm design the mirrors are more than capable of withstanding high speed wind forces without collapsing of folding.

- Classic Bearmach quality product
- Easy to fit
- Durable finish
- Defender/Series application
- Arm widely used by the Military around the world
- Use with BR 1914 range of mirror heads.

TRUCK-LITE

Features and Benefits:
- ECE and ROHS compliant
- LED sealed beam technology with Poly-carbonate lens and sealed electronics
- Full 3 year Truck-lite warranty
- Up to 50x longer life than halogen headlamps, lowering life-cycle costs.
- Perfect for medium/heavy duty trucks, off-road vehicles, automotive, motorcycles, military applications and more.
- Produces pure white light, nearly identical to daylight that is easy on the eye, unlike harsh blue HID systems
- Available in right and left hand drive
- Includes built-in position lamp with optional wiring.
- Improved roadside coverage and highly controlled beam patterns, offering glare protection to oncoming traffic.
- Dipped/passing beam and main/driving beam functionality.
- Ultra-bright output for maximum night visibility.
- HA, 3 blade connector system.

Materials and light output:
- Hard poly-carbonate lens
- eCoat aluminium and internal structures.
- Metalised reflector
- 1.3mm CSA/16 gauge wire.
- 2 LED Arrays
- Multi-volt (9v-30v) design works with both 12v and 24v systems
- 1.3A (Dipped/Passing) @ 13.2v
- 2.3A (Main/driving) @ 13.2v
- 0.6A (Dipped/Passing) A 26.4v
- 1.1A (Main/Driving) @ 26.4v
- Lamp position - 0.03A @ 13.2v, 0.03A @ 26.4v
- Operating temperature range: -40c to +50c
- Over-voltage protection to 600v"

HIGH PERFORMANCE LIGHTING

Light Bar Triple R Range

LAZER

Developed around the uncompromising requirements of the professional motor-sport market, the TRIPLE-R Range of lights is setting the new standard in auxiliary driving lights. The latest and most sophisticated component technology has been incorporated alongside patented systems for optimising light output for both road, rally and race applications.

Standard Range

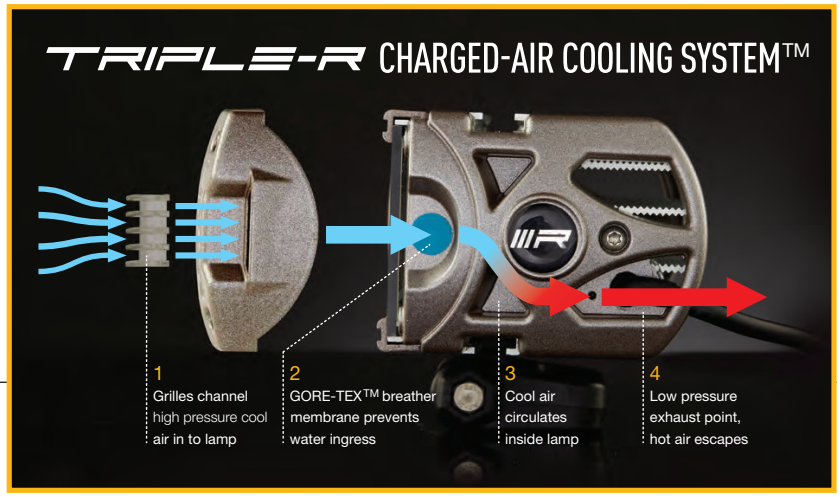

For great value long-range illumination, the Triple-R Standard range is the lighting solution of choice. Combining class leading performance with unique styling, the lights can be relied on to deliver time after time whether it's around a race circuit, off-road or on public roads.

Elite Range

Everything about the Elite Series is geared towards maximising light output or reducing weight. Utilising LEDs with 20% more lumens output than standard Lazer lights (ST and RS Range), vacuum metalised 'hooded' reflectors deliver a spot beam surpassing the most advanced HID systems.

- Ultra long-range boost optices
- High output LEDs
- Cae optimised heat-sink
- Dynamic drive modulation
- 'Unbreakable' poly-carbonate lens
- Optional lightweight magnesium components
- 304 Stainless steel helicoil insert

Rock SliderZ Sill Guard (Pair)

BEARMACH

The SliderZ are manufactured from 25mm diameter steel tubing and a 3/16"" steel custom 'Z' strip. The mounting brackets and scuttle plates are 0.125"" and 3/16"" steel plate.
These provide a secure mounting base. The materials used for the SliderZ are carefully chosen for their light weight, high strength features and design is optimised so that no drilling is required.
The factory jack can still be used with SliderZ due to the unique tab located under the 'Z' strip which will engage the jack."

BA 088	Freelander 1

Side Protection Sills

MANTEC

Designed with off-roading in mind, the steel box section sills with jacking points offer more protection to your vehicle when off-road. Finish is a phosphate treatment and durable powder coat.

BA 109M	Defender 90

Metal

Raised Air Intake
BEARMACH

Bearmach raised air intake in plastic to suit Discovery 300Tdi, mounts along the wing and up the 'A' post.
Some drilling required through the wing, picks up on the air box.

BA 2126B	Discovery 1	300Tdi
BA 2129A	Discovery 3	

Raised Air Intake
MANTEC

Mantec's classic Discovery collection in extruded steel designed originally for the Camel Trophy event and seen more recently on the G4 Challenge.
The extruded design means that the main body of the air intake fits neatly down the window pillar and along the inside of the wing on the left hand side of the vehicle.
It will be necessary to cut and entry hole into the wing using template provided, or contact a professional to do this for you.

BA 2130M	Discovery 2	Td5
BA 2126M	Discovery 1	300Tdi / V8

Raised Air Intake
MANTEC

Mantec's well known ""plastic jobby"" was first launched in 2007.
A two piece, stylish air intake designed for the discerning Defender owner who fancies a change from the classic style of the BA 2123ARC.
The raised air intake fits to the vehicle using the existing vent on the right side.
Not compatible with an external roll cage.

BA 212307M	Plastic	Defender 90	300Tdi, Td5, 2.4 Puma
		Defender 110	300Tdi, Td5, 2.4 Puma

Raised Air Intake
MANTEC

Mantec's classic air intake in extruded steel, designed originally for the Discovery Camel Trophy event and seen more recently on the G4 Challenge.
Although the appearance on the outside is the same as the Discovery, the Range Rover fits differently under the bonnet.
The extruded design means that the main body of the air intake fits neatly down the window pillar and along the inside of the wing on the left hand side of the vehicle.
It will be necessary to cut an entry hole into the wing using the template provided, or contact a professional to do this for you.
This kit does not fit the VM engine.

BA 2127	Range Rover Classic

BA 2127

BA 2130M

Raised Air Intake
MANTEC

Mantec's classic design from DSV5 reinvented in polyurethane material to meet our customers increasing demand for a choice of material.
The 3 piece deisgn fits to the vehicle using the existing vent on the right or left hand side of the vehicle. The design can also be used with some external roll cages (please contact Bearmach customer services for advise).

Off Road Series

T-MAX

- 5.5Hp Series wound motor ensures constant high power and torque. Roller bearings instead of bushings transfers more efficiency to the winch.
- Machined steel gears assure the greatest power to the winch.
- Tested one by one to the extreme before they leave the factory.
- Featuring a 4th generation integrated solenoid module, which is manufactured for military and industrial use around the world.
- Silver layer on the solenoid contactor surface results in a much lower operating temperature and allows a much longer life-span.

Performance Series
T-MAX

- 5.5Hp Series wound motor ensures constant high power and torque. Roller bearings instead of bushings transfers more efficiency to the winch.
- Machined steel gears assure the greatest power to the winch.
- Tested one by one to the extreme before they leave the factory.
- Featuring a 4th generation integrated solenoid module, which is manufactured for military and industrial use around the world.
- Silver layer on the solenoid contactor surface results in a much lower operating temperature and allows a much longer life-span
- Optional, unique, wireless remote control allows operation from up to a distance of 30 metres.

Tiger Shark Series

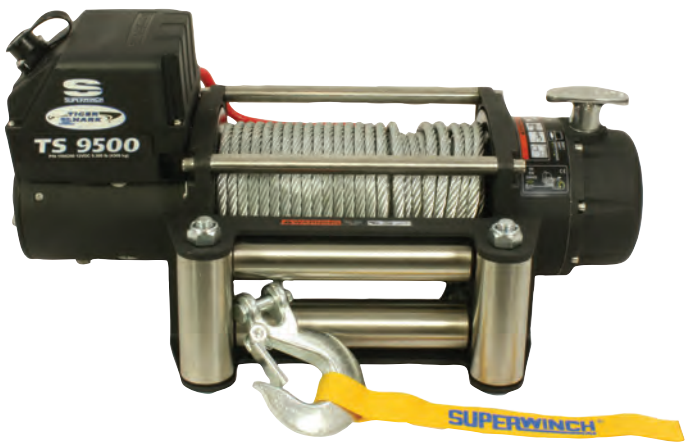

SUPERWINCH

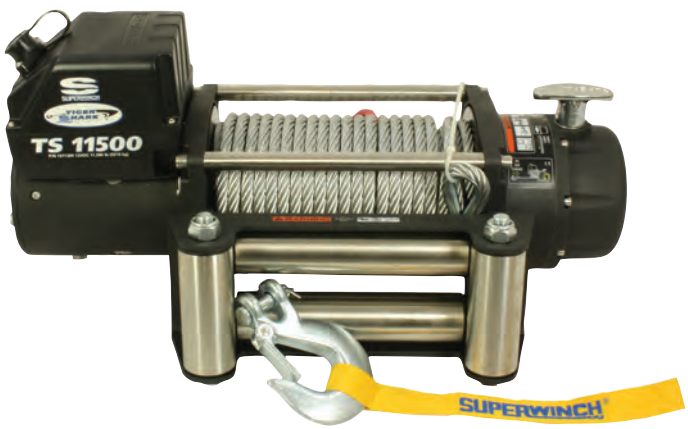

Superwinch is redefining the entry level winch market with the new Tiger Shark Series with “Standard Issue” features and benefits designed specifically for the enthusiast-level consumer. Created from everything we have learned over the past 40+ years, the Tiger Shark brings unmatched functionality, quality and value.
Here is what seperates the Tiger Shark Series apart from the pretenders:

- Reduces damage from rain, snow and blowing dust
- Handles stress and torque on demand
- Heavy duty drum supports
- Load tested all the way to stall
- Weather sealed solenoids
- Severe-duty textured finish
- Resists harsh outdoor and off-road abuse
- Heavy duty rubber hand held remote
- Field proven design provides effortless switching
- Stainless steel tie bars and hardware
- Great appearance and resists damage from rain and snow
- Heavy duty fairlead with stainless steel rollers
- Brushed finish endures weather and wire rope abuse
- Ergonomically shaped freespool control
- Easy to grip and effortless to operate

S Series

SUPERWINCH

The S Series from Superwinch® is the most popular performance trailer winch on the market, with good reason. With race proven reliability, S Series winches have full metal gears, powerful motors, integrated sealed switching solenoid, and rugged 30' hand-held remote.
The S Series advantage-full metal gears deliver power and performance, preferred by the professionals for safe, dependable loading. Instant stop design ensures absolutely no coasting. Lever opersated clutch simplifies fast tope payout. Fully weather resistant cover keeps out the elements. S3 Solenoid is submersible, sealed and comes with an exclusive 3-year warranty.
"Whichever trailer you're loading there's a Superwinch designed to meet your needs. I've been using Superwinch products for over 20 years.

Talon Series

SUPERWINCH

This is the industry's best truly sealed vehicle recovery winch assembly. All seals on the entire winch from the outermost end of the high performance motor, to the 2-stage planetary and 2 stage spur gearbox, to our ground breaking solenoid, meet the IP67 standard.

- Sealed 5.2HP and 6.0HP motors deliver a quick but safe 62 FPM line speed at a low 75 Amp draw. Heat sink styled motor cap maintains low temperatures under the heaviest loads.
- Innovation "Dual-Stop" 100% load-holding brake deisgn provides zero drag on cable in. Located inside the gearbox away from the drum to eliminate heat transfer to the synthetic rope.
- Specialised steel drum constructed with high tensile strength material to resist the unique loading characteristics of the optional 3/8" x 80' synthetic rope rated at 17,600lbs ensures a safe pull
- Laser etched aerodynamically-shaped extruded aluminium tie bars reduce weight. Three (3) tie bar construction adds strength and structural rigidity between drum supports.
- Chrome plated aluminium ergonomic free spool knob lifts and turns effortlessly. Easily rotates in 45° increments for custom applications and "in bumper" applications.
- Ergonomically shaped, hend-held remote with brilliant LED light assists in night-time winching.
- Coiled cord extends to 15', retracts to 4', and includes strap to contain unit for storage. Connects to winch with military style twist-locki plug, sealed to keep the elements out.
- VS4 Solenoid (vented, submersible and stabilised with sealed socket) is simply the best winch solenoid in the world. Located inside a modern styled rugged enclosure.
- Solenoid meets IP67 standard, which ensures to keep out water, mud, snow and dust. Venting feature allows the contacts to resist water and release contact damaging internal condensation.
- Tri-bar bracket includes steel lined rubber insulated mounts to stabilise solenoid, reduce vibration and fatigue. Automotive-style sealed plug ensures a corrosion free connection.
- Covered by a Limited Lifetime Warranty which includes an industry-first 3 year warranty on all electrical components, the absolute BEST in the INDUSTRY.

Digital Wireless Reverse System

RING

12v/24v digital wireless 4.3"" colour camera kit.
Additional Information:
- 4.3"" Colour TFT Monitor
- Digital wireless video
- Suction cup mounting bracket
- Camera bracket
- 12/24v cigarette plug power cable
- Parking guidelines
- Optional second camera available (part number: BA 4641)

Other specs:
Monitor
- 480 x 272 resolution
- Capable of running two cameras (1 included)
- Voltage: 8-30v DC
- Brightness: 200 cd/m2
- OSD Menu: Pairing, brightness, colour, contrast, rotate and info
- Current: 180mA (max)
- Frequency: 2.4GHz
- Operating temperature: -10c to +50c

Camera:
- 1/4"" CMOS Colour
- 320 x 240 resolution
- 2.0mm lens
- 110 degree viewing angle
- 6 Infra red LED with 1.5m visibility
- Operating temperature +10c + 50c
- Up to 100m wireless range (in open space)
- CE approved
- Voltage: 8-30v DC
- Current: 220mA (max)
- Frequency: 2.4GHz

Finger Ratchet Set

LASER

Ideal tool kit for confined work
- Manutactured from Chrome Vanadium
- Includes 10mm and 13mm finger ratchet
- Includes 1/4""D and 3/8"" adaptors with quick release mechanism
- Also includes a 1/4""D bit adaptor

Ideal for use in confined spaces
New from Laser Tools is this convenient finger ratcher set that makes light work of difficult to access fasteners. Often a fastener deep in the engine bay or up behind a dashboard cannot be accessed by a conventional 1/4"" drive socket and ratchet handle.
These little finger ratchets can get in very tight spaces and with their smooth ratchet even the most difficult to access fasteners can be removed or replaced in seconds.
The set includes two finger ratchets with quick-release adaptors for 1/4"" drive and for 3/8"" drive plus an additional 1/4"" drive bit adaptor.

BA 4940 5 Piece Universal

Tap and Die Set
LASER

A standard tap and die set with all the accessories required. 40 pieces in carbon steel.

- 17 tap and die sized in various thread sizes
- Die wrench (25mm), tap wrench (3-12mm)
- T-handle wrench and 3mm flat screwdriver
- Folding pitch gauge and centre punch
- Wire brush

BA 4937	40 Piece	Universal

Combination Spanner Set
LASER

Sizes: 6|7|8|9|10|11|12|13|14|17|19|22mm
- Manufactured in chrome vanadium
- Complete with handy storage clip

BA 4917 Universal

Combination Spanner Set
LASER

Manufactured to DIN 3113 standards in Chrome Vanadium.
Sizes: 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19mm
- Supplied in a hanging storage case
- Manufactured to DIN 3113 standards
- Manufactured from Chrome Vanadium

BA 4930 12 Piece Universal

Combination Spanner Set Imperial
LASER

Imperial spanner set supplied in a traditional oiled leather tool roll.
Imperial sizes: 1/4""|5/16""|3/8""|7/16""|1/2""|9/16""|11/16""|3/4""
- Manufactured from satin finished chrome vanadium etched with brand.
- 9/16"" Spanner standard length of 180mm

BA 4925 8 Piece Universal

Combination Spanner Set Metric
LASER

Metric spanner set supplied in a tradional oiled leather tool roll.
- Combination spanner set with Bi Hex Ring

Metric Sizes: 8|9|10|11|13|14|17|19mm
Manufactured from satin finish chrome vanadium etched with brand.
17mm spanner standard length of 210mm"

BA 4926 8 Piece Universal

Combination Spanner Set Metric
LASER

Whitworth spanner set supplied in a tradional oild leather tool roll.
- Combination spanner with Bi Hex Ring
- Whitworth sizes: 1/8""|3/16""|1/4""|5/16""|3/8""|7/16""|1/2""|9/16""

Manufactured from satin finished chrome vanadium etched with brand.
7/16"" spanner standard length 250mm

BA 4927 8 Piece Universal

Impact Driver Set

LASER

Robust 1/2"" drive impact driver complete with bit adaptor with 5 popular bit sizes. Also for use with 1/2"" drive socket accessories. For loosening screws or nuts that have rusted, threaded or over tightened.
Can be used in forward or reverse.
Supplied in metal case.
Contents:
- Impact driver 1/2"" drive
- Bit adaptor 5/16"" (8mm) shank
- 5x 8mm shank x36mm long bits
- Phillips: Ph2 | Ph3 | Ph4 - Flat: 8mm | 10mm

BA 4901 7 Piece Universal

Screwdriver Set - Soft Grip

LASER

Contents:
4 x Flat - 3.2x75mm | 5.0x100mm | 6.0x100mm | 8.00z100mm
4 x Pz Drive - Pz0 x 75mm | Pz1 x 75mm | Pz2 x 100mm | Pz2 x 38mm

BA 4900 8 Piece Universal

Ratchet Screwdriver

LASER

- 45 Teeth ratchet
- Adjustable locking handle straight or angled for extra torque.
- For use with 1/4"" shank bits or 1/4"" Drive sockets.
- Three position: Left handed | Right handed | Locked
- Storage in handle for 6 bits: Phillips Ph1 | Ph2 | Ph3 / Flat 4 | 5 | 6mm

BA 4916 8 Piece Universal

Tin Snips

LASER

- Spring loaded to aid cutting action.
- Offset cutting edge allows the hand to remain above the material being cut.
- Chrome Molybdenum head for strength.
- Safety lock with straight and right cutting edge.
- Rubber coated handles for comfortable grip.
- Cuts mild steel 0-1.5mm and stainless steel 0-0.8mm.

BA 4949 Universal

Gasket Scraper

LASER

A fine, precision blade for cleaning cylinder heads, carburettors etc.
- Chrome Vanadium shaft.
- Find blade.
- Even, flat edge.
- Ergonomic handle.

Quick Change Circlip Pliers (Internal/External)

LASER

- Two functions in one tool - Internal 22mm-48mm / External 8mm-48mm circlip removal.
- Circlip pliers with internal and external selection.
- Four sets of tips: Straight tips for 1.2mm & 1.8mm | 90 Degree tips for 1.2mm & 1.8mm
- Quick change facility
- Cushioned grip handles
- Professional quality.

BA 4902 Universal

Circlip Pliers Internal Bend

LASER

Internal bent circlip plier, Spring loaded, dipped handles.

BA 4982 Universal

Hose Clamp Pliers

LASER

- Hose clamp pliers with 45 degree angle.
- Head manufactured from carbon steel with SPHC steel handle.
- 30mm x 20mm face.
- Locking mechanism
- Tooth design face for grip

BA 4955 Universal

Hose Clip Tool

LASER

- For hose clips found on modern engines
- Ideal for difficult access areas.

BA 4903 3/8" Drive Universal

Crimp Tool

LASER

- For use on insulated and non insulated terminals.
- Computer pins and sockets - D Sub 26-28 AWG wire. Butt-insulated connectors - 22-26 AWG wire. Telephone piercing spade lugs - 22-26 AWG wire. Open barrel connectors - 20-22 AWG wire. Open barrel connectors - 14-18 AWG wire.
- Spring jaws
- Hardened cutting edge.
- Top jaws for non-insulated spade crimps. Non-insulated terminals - 10-14 AWG wire.
- Lower jaws for pre-insulated crimps and barrel connections.

BA 4951 Universal

Adaptable 10-1 Compact Tool

SMITTYBILT

- Spring loaded plier jaws
- Aluminium comfort grip
- 3CR13 Heat treated steel blade
- Ballistic nylon carrying case included"

Battery Charger Smart (12v 5amp)

RING

- LED indicators show specific charging mode selected
- Includes a maintenance charge setting
- Charge stage indicator - displays where you are in the charging process
- Setting for both standard and START/STOP vehicles
- Charging, maintenance, winter and repair modes
- Rubber wrap outer for added protection and grip
- Polarity protection for correct connection
- Fully insulated battery clips for safe protection during connection.

BA 8700 Universal

Battery Charger Smart/Analyser

RING

- "Mutli stage fully automatic Smart Chargers
- Auto charge applies the fastest charge, based on battery size
- Includes settings for both standard vehicles and START/STOP
- Includes battery repair tools to increase performance and battery life

Includes the following battery and alternator analyses tools:

- Battery voltage - displays as a % the voltage status of a battery
- Start power test - measures voltage drop during engine start to identify potential battery issues
- Alternator check - tests the recharging performance of the vehicles alternator
- Battery cranking performance - measures the battery's cold cranking performance to determine engine starting ability
- Charging current up to 12A
- Battery capacity: 25-300Ah
- Interactive LCD display
- Memory saver finction allows vehicle and audio settings to be retained if the battery is removed

BA 8701 Universal

Circuit Tester - Heavy Duty

LASER

Tester for 6|12|24v automotive circuits.
Features includes 5ft long lead, cable protector and temperature sensor, with 1.5m cable.
Suitable for testing faulty lights and short circuits on startres, alternators, colling and heating components, radios and relays.
Not recommended for computers or sensors.

BA 4918 6-24 Volt Universal

Heat Shrink Kit

LASER

- Mini gas torch with heat shrink tubbing kit (162pc).
- Assorted coloured tubing and sizes: 1 x 15mm x 500mm black tube, tubes supplied in red, green, blue, yellow, white and clear:1.5mm x 60pc, 2.5mm x 35pc, 3mm x 25pc, 5mm x 20pc, 6mm x 10pc, 10mm x 10pc.
- Heat shrink tubing meet RoHS directive.
- Operating temperature range: -55°C to +125°C.
- Manufactured fro G5 general purpose, polyefin tubing.
- Characteristics: shrinkage ratio 2:1, very flexible, highly retardant, resistant to fluids and solvents.
- Mini Butane gas torch supplied with full instructions. Capacity 6ml, operating time 20mins, approximate temperature <1300°C, GS/TUV certified.

Heat shrink tubing is the ideal way to repair and refurbish worn and cracked insulation of vehicle wiring or to insulate new wiring connections when adding accessories. This kit includes a butane gas powered heat torch as well as a useful and generous selection of heat shrink tubing.
It can be tempting to use a flame on heat shrink tubing, but this heat is uncontrolled and unless great care is taken the tubing can burn and become damaged. The butane powered gas torch in the kit provides a very soft, even heat that is ideal for heat shrink work.
The heat shrink tubing supplied has a shrinkage ratio of 2:1 and remains very flexible after shrinkage. A selection of tube sizes ad colours is supplied from 1.5mm diameter up to 15mm. All you need for quick and professional repairs with everything required in one convenient box.

BA 4950 Universal

Tyre and Pressure and Depth Gauge

LASER

Two in one essential tool for the motorist:
- A tyre pressure gauge with PSI, BAR, KPA, KG-cm options
- Integral tyre tread depth gauge
- Ranges from 3.0-99.5 Psi with auto power off function
- CE Certified and RoHs compliant
- Instructions included

BA 4942 Universal

Tyre Pressure/Tread Gauge

LASER

A handy 2 in1 tyre pressure/tread gauge, with long flexible reinforced hose - more details in Catalogue Text screen

BA 4983 Universal

Tyre Repair Kit

LASER

Smittybilt has created a new tyre repair kit designed for the off-road enthusiasts. It includes everything you need to mend a punctured tyre, comes in a compact soft pack for easy storage in a glove box etc, be prepared for the unexpected.
Kit contains:
- 30 Self vulcanizing plugs
- Rugged aluminium tools
- Lubricant
- Folding knife
- Pair of needle nose pliers
- Extra valve stems
- Dual head tyre pressure gauge
- Side wall bailing wire
- Interior tyre patches

Easy-to-follow instructions

BA 9001 Universal

Bonnet / Tailgate Support

LASER

This telescopic, aluminium tailgate support extends in 3 sections to 120cm. This safety support is ideal for use in the workshop or at breakdowns in conjunction with the supports already fitted to the vehicle.
Locks in place with a simple twist action.

BA 4874 Universal

Mechanics Knife (Twin Blade)

LASER

- Two blades: One with quick release and one folding blade.
- Lightweight aluminium handle
- Locking function
- Manufactured from 420 stainless steel

Replaceable standard blades.

BA 4905 Universal

Folding Mechanics Mat

LASER

- Folding mechanics mat
- Size: 1210mm x 420 mm x 23mm
- Made from EVA and PE
- You can sit/kneel and lie on this product
- Folds for easy storage

BA 4944 Universal

Tool and Parts Tray

LASER

- Handy storage for garage, workshop or shed
- Made from EVA material
- Twin handle grips
- Light and easy to use
- Size: 320 x 480 x 30mm

BA 4943 Universal

Roller Seat (Adjustable Height)

LASER

- Capacity up to 120kgs
- Adjustable seat height: 300mm to 390mm
- Storage tray for tools and parts
- 2.5"" castors
- Measurements: Height 370mm, length 315mm, width 255mm

BA 4946 Universal

Wing Cover - Anti Slip

LASER

Resistant to oil, grease, water and other liquids, Size 900mm x 610mm x 5mm - large size to prevent damage, No magnets which can damage bodywork, Meets ROHS non toxic EN71

BA 4984 Universal

Hacksaw 305mm (12") with Pad Saw Handle

LASER

Hacksaw complete with spare pad saw handle and two spare HSS blades.
- Stable and strong hacksaw
- Complete with 2 handle types including padded saw.
- Pad saw for hard to reach areas.

BA 4919 Universal

HSS Drill Bit Set

LASER

A titanium coated HSS drill bit set gives extra life to this 19 piece set. Sizes: 1|1.5|2|2.5|3|3.5|4|4.5|5|5.5|6|6.5|7|7.5|8|8.5|9|9.5|10mm

BA 4910 Universal

Grease Gun - 4 Jaw 500cc

LASER

This high pressure grease gun works at 8000psi and has an improved plunger for complete grease removal for both cartridge and bulk grease loading.
Takes 400cc cartridge.
- 500cc bulk grease.
- 400cc cartridge grease.
- Metal hose with 4 jaws.
- Grease jaws before use.
- 8000psi

BA 4898 Universal

Flexi-Hose and Connector

LASER

Nylon flexi-hose and connector for use with BA 4898 grease gun.
- Flexi hose for standard grease gun.
- Nylon material
- For use where the standard fixed hose will not fit.
- Standard fixings.

BA 4899 Universal

Rivet and Nut Riveter

LASER

- Handles rivets and nut rivets
- For use with 2.4/3.2/4.0/4.8mm aluminium and stainless rivets
- Also for use with 3mm / 4mm / 5mm / 6mm nut rivets
- Strong dual purpose tool manufactured to professional quality cast body with composite grips

BA 4948 Universal

Swivel Head Riveter Set

LASER

This unique swivel head tool gives access to awkward areas and has the facility of converting from a standard riveting tool to a nut riveter and also the male version bolt rivets.
- Unique tool can be used on 2.4|4|4.8mm rivets
- 4|5|6mm nut rivets
- 4|5|6mm bolt rivets

BA 4857 Universal

Riveter Set for Plastic Rivets

LASER

For use on car trim, carpets and seats etc.
Set includes:
- 10 of each size plastic rivets 5mm x 15.8mm | 6.6mm x 17.2mm | 5mm x 17.2mm | 6.3mm x 25.2mm
- Packaged in a sliding blister.

BA 4858 Universal

Oil Drain Pan (16 Litre)

LASER

This 16 Litre oil drain pan includes large, easy grip carrying handles and integral spout for pouring waste oils or fluids into a recycling container. The anti splash lip prevents spillage.

- 16 litre capacity
- Anti-splash lip
- Ideal for draining antifreeze or oil
- Integral spout
- Meets PaHs regulations
- Not suitable for spray gun cleaner.

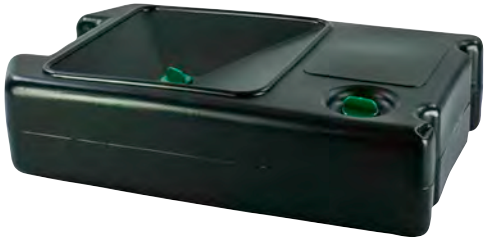

BA 4867 Universal

Oil Drainer

WAVIAN

BA 4941 8 Litre Universal

Oil Drop Absorbent Mat

LASER

- "Absorbs oil only (not water)
- Plastic film backing for floor protection 100% Polypropylene
- 1000mm x 800mm x 2mm (including film)
- Weight: 50gms
- Absorbency 2.6L per mat

BA 4945 Universal

Fuel Transfer Tool

LASER

For use on cars, motorcycles and boats etc.

- Self priming
- 175mm overall length
- Quick and effective for petrol, water and other liquids.

BA 4875 Universal

Mini Pump - Multipurpose

LASER

This handy mini pump is ideal for a veriety of top up jobs. Ideal for gear boxes, differentials, lawn mowers, chain saws, outboard motors. Also suitable for oils, automatic transmission fluids, brake fluids, general purpose cleaners.

- One litre capacity
- Not suitable for thick oils or oils with high viscousity. When used on these types of lubricants it fails to pump. This does not mean the pump is faulty.

BA 4892 Universal

Pry Bar Set

LASER

Plastic handles for comfortable grip and supplied in 3 lengths and tips.

- 3 Pry bars 200mm | 300mm | 500mm Length
- Plastic handle for comfortable grip
- Selected steel
- Day-glow handles

BA 4891 Universal

Brake Disc Measurement Gauge

LASER

Quick and simple to use.
- Designed to measure the thickness of the brake discs with the wheels still on the vehicle.
- Time saver - without needing to remove the wheels or strip the brakes first.

Fits easily to most existing digital vernier.

BA 4887 For Vernier Caliper Universal

Disc Brake Piston Spreader

LASER

Brake piston spreader for retracting the piston when fitting new brake pads. For single and twin piston, fixed or sliding calipes.
- Suitable for a wide range of calipers: AT | DELCO | BENDIX | GIRLING.
- Manufactured from selected steel
- Helps prevent damages pistons

Can be use with a T-Bar or 1/2"" drive ratchet or spanner.

BA 4859 Universal

Disc Brake Piston Compressor

LASER

Designed for brake calipers with twin or quad opposed pistons.

BA 4860 88mm Working Range Universal

Brake Pipe Corrosion Tool

LASER

This product is unique and allows the user to inspect brake pipes easily. It has two scraper areas which allows the mechanic or MOT inspector to remove dirt and corrosion to examine the brake pipes efficiently.
MOT Compliant.

BA 4873 Universal

Flaring Tool Kit (10 Piece)

LASER

The Laser flaring tool kit is a comprehensive, yet simple kit to use. It is suitable for cutting and flaring copper, brass and thin welded aluminium tubing.
- Produces male and female flares. Die sizes: 3/16"", 1/4"", 5/16"", 3/8"", 7/16"", 1/2"", 5/8""
- Cuts tube from 3mm to 30mm diameter
- 45 degree flares

(25 Feet roll of copper brake available, part number BA 0014)

BA 4929 Universal

Brake Fluid Tester

LASER

A simple tool designed to check the quality of the brake fluid with results displayed in 5 Leds representing the percentage of water found.
Sutiable for all standard brake fluids (except synthetic)
Complete with 1x AAA battery.
CE Certified
RoHS Compliant

BA 4861 Universal

Eezibleed Kit

LASER

This system sets the standard for affordable brake and clutch bleeding systems.
Using air pressure from a spare wheel it will effortlessly bleed hydraulic systems.
There are a number of adaptors available to fit most vehicles with screw cap reservoirs, and comprehensive instructions are included.

BA 4886 Universal

Brake Bleeding Kit

LASER

A simple kit for bleeding brakes. Complete with 3 adaptors for most vehicles.

BA 4890 Universal

Cooling system Vacuum Purge and Refill Kit

LASER

For refilling radiatos with coolant without introducing air pockets.
Complete with adaptors for most modern cars and instructions.
Packed in a blow mould case.

BA 4866 Universal

Advance Xenon Timing Light

LASER

The timing light enables the synchronisation of the ignition system with the piston movement. An inductive pick-up replaces the necessity to disconnect the spark plug wire to operate the timing light.
Timing readout: 0-60degree BTDC
Features:
- Timing advance up to 60 crankshaft degrees
- Superior performance at all speeds through 8000rpm
- Operates on all 12v ignition systems
- Xenon bulb providing Brilliant Blue/White
- 1,000.000 flash capacity.
- Automotive reverse polarity and overload protection.
- Inductive pick-up
- Double check light indicates incorrect hook up and faulty flash

BA 4885		Universal

Cylinder Leakage Tester 1000psi / 7 Bar

LASER

The 100psi (7bar) working pressure ensures adequate air pressure and flow to the source of the compression loss plus the percentage loss to be measured.

BA 4872		Universal

Timing Tool Kit

LASER

Specific kit supplied for Land Rover
- OEM cross reference and instructions included
- Essential tool
- Made in Sheffield
- Tools included: 303-1270, 303-1272, 303-1277

BA 4928	Freelander 2	Td4, 2.2 Duratorq TdCi 2006 on

Micro Meter Tappet Adjuster

LASER

Valve clearance is easy to adjust on all push rod engines or OHC engines with top adjustment. Click-adjust make the job even easier and absolutely precise.
This essential clearance adjustment ensures the valves (inlet and outlet) open and close correctly resulting in better engine performance.
A tool that fits the vehicles adjustment nut will be required.

BA 4883		Universal

Engine Cylinder Hone

LASER

The Laser engine cylinder hone is an indispensable tool for engine overhauls.
Capacity 50-180mm (2”-7”) Bore Diameter
It enables the inside surfaces of engine cylinders to be cleaned of carbon deposits and re-surfaced quickly, simply and effectively.
Replacement stone set for Engine Cylinder Hone, part number: BA 4863

BA 4863		Universal

LASER

Bearing and seal installer, Manufactured from Aluminium

BA 4978 Universal

Diesel Injector Seat Cleaner

LASER

For cleaning diesel injector seats prior to fitting new injectors.

BA 4977 Universal

Camshaft Locking Tool

LASER

This camshaft locking device simply slides between the 2 camshaft pulleys on 16 valve twin cam engines.
- Rover K Series engines.
- OEM tool code: 18G 1570
- MG Express, MGF, TF, ZR, ZS, ZT, ZT Turbo.
- Rover 100/200/25/400/45/75/Metro/Streetwise.
- With engine codes K16, 14K, 16K, K8 (1990-2006)

BA 4961 Freelander 1 1.8 Petrol

Magnetic Sump Plug Removal Tool

LASER

Handy tool for removing the sump plug once it has been loosened, Magnetic, Can also be used as a pick up tool

BA 4981 Universal

Wheel Bearing Tool

LASER

Generation 2 wheel bearing kit, Land Rover Freelander 2 from 2006 Front,

BA 4976 Freelander 2

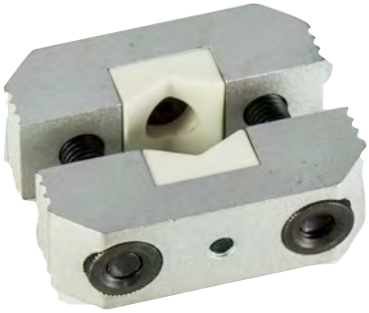

Strut Clamp

LASER

- Designed to lock a McPherson Strut in its fully extended position when changing the springs.
- This tool is particularly useful when working with struts that are equipped with strong internal springs (tension stops springs) that pull th strut shaft partly into the strut.
- The kit includes strut clamp complete with bolts and nuts.

BA 4954 Universal

Coil Spring Compressor - Heavy Duty
LASER

This coil spring compressor uses twin prongs and works at a pressure up to 1.1Kg.
Care should be taken to increase pressure equally on both sides.

BA 4869 Universal

Coil Spring Compressor - Heavy Duty
LASER

This universal coil spring compressor kit is specifically designed for Macpherson struts fitted to most makes of vehicles.
- Comes complete with a robust shaft which extends up to 300mm and 3 sizes of pressure plates from 65mm-195mm.
- The anti-slip locking mechanism ensures the struts are compressed safely.
- An adaptor for Conical springs fitted to some Alfa Romeo, Chrysler, Nissan, Seat and Volkswagen is included.

Evans Waterless Coolant

EVANS

No water - no overheating - no corrosion - no pressure - no liner pitting - no scaling - more BHP.
Evans Waterless Coolants have a boiling point above 180c and will not boil over. Water contains oxygen, oxygen allows corrosion, Evans Waterless Coolants eliminate corrosion. With no water there's no pressure, allow your cooling system to run at a lower pressure, reducing the strain on engine components.
Evans Waterless Coolants generate significantly less pitting when compared with all water based coolants.
Preventing the build up of hard water scale that results in inefficient heat transfer and eliminates premature detonation associated with overheating.

Permanent Coolant Leak Repair

K-SEAL

With over 1 million bottles sold in the UK alone, K-seal permanent coolant repair is the preferred brand of motor stockists and their customers.
Fixes most leaks in all types of water cooled engines, including cracked head, head gasket failures, cracked blocks, radiators, heater cores and water pumps.
A repair made with K-seal is permanent, guaranteed for the lifetime of the engine.
Unlike inferior coolant products, K-seal mixes with all types of antifreeze and coolant. There's no need to drain or flush the system before or after treatment.
K-Seal is easy to use, shake bottle, add it to the cooling system and go.

BA 4762 Universal

Quicksteel Reinforced Epoxy Putty

QUICKSTEEL

There are many reasons why Quicksteel, the worlds toughest epoxy putty is a winner with the DIY enthusiast and the trade.
- Sets steel hard within 15-30 minutes, even under water, achieving a full chemical cure within 60 minutes.
- Impervious to petrol, diesel, oil and even battery acid.
- Permanently bonds to aluminium, brass, copper, steel, PVC, fibreglass, plastic, glass, wood and more.

Repairs leaking fuel tanks, kerbed alloys, stone damaged radiators, cracked sumps, stripped threads and exhausts.
Around the home it can fix anything from leaking guttering to a leaking central heating pipe.
260C (500F) temperature resistant and it is drinking water safe,

Air Conditioning System Cleaner
PURATISE

- Kills bacteria and removes smells
- Disinfects vehicle interior
- Clean and fresh fragrance

Over time bacteria, fungi and mould can build up in your vehicle air conditioning system and fungal spores circulated into the vehicle may cause eye irritation.
Puratise contains an intense anti-bacterial agent which removes harmful irritants from air conditioning and ventilation systems.
The anti-bacterial formula also disinfects the vehicle interior and surfaces.
Puratise will leave the vehicle with a clean, fresh fragrance and the treatment is effective for up to 6 months.
Suitable for all vehicles with air conditioning.
Excellent saving opportunity, dealers charge approx. £40.00 for this service.

PURATISE	Universal

Hawkeye
BEARMACH

This unit is compact and extremely robust, it is tough enough to be carried in your car in any environment, tested in the freezing cold and the highest temperatures all over the globe.
It's lightweight and small size enables it to fit in your glove box, or under your seat so it won't hinder the space inside your vehicle, like a laptop interface device.
You can carry this with you at all times, whether you're on holiday or on an off road adventure, keep it in the car on daily journeys for those "just in case" days.
The keypad has large, well defined buttons and it is powered directly from the vehicle.
Modern Land Rovers have advanced management systems and high tech developments in suspension, braking, engine, transmission and body electrics.
There are a host of problems that can only be properly identified using very expensive dealer high end diagnostic tools. HawkEye is an inexpensive solution that gives the DIY mechanic or independent garage the ability to diagnose most of the common faults.
When the fault has been identified, repaired and cleared you can road test with confidence, and of course take the tool with you just in case.
Can be set to 7 different languages.
English, French, Spanish, Portuguese, Italian, German and Dutch.
(The units default to English and French and can have one additional language along side English, please specify when ordering)

BA 5070

- Robust and self powered hand held unit
- No PC required
- Free unlock code for one Land Rover vehicle type
- Can be unlocked for additional Land Rover vehicle types
- Free updates for future applications
- Very quick response time
- Reads fault codes with description
- Live data real time monitoring
- Service reset
- Specific forced outputs and switchings
- Specific applications (programing)
- Ideal for DIY Enthusiast as well as specialists
- Built in OBD II DTC look-up
- Quickly communicates with onboard computers
- Designed and manufactured in the UK
- Comes with storage pouch
- Large well defined buttons
- Powered from the vehicle
- Clear display, onscreen prompts.

Hawkeye Pro
BEARMACH

- Fully unlocked for all Land Rover vehicles
- The most comprehensive Land Rover Diagnostic system on the market
- HawkEye Pro is capable of testing, re-setting, configuring live data and re-programing most Land Rover systems
- From the 14CUX to the most up to date module type
- This unit is designed to be used worldwide
- Designed for ease of use, very fast diagnostics, plug and play
- Powered by the vehicle
- Regular free updates to the diagnostic software on CD
- For the Professional wishing to provide a quality service
- Comes with one cable fits all. **(Pre 2001 14CUX cable needed)**
- Comes with USB and cables for upgrades.
- Robust padded plastic carry case
-
- The HawkEye Pro has been designed to be quick and easy to use whilst still offering functional diagnostics in todays modern vehicle control systems.

BA 5082	Hawkeye Pro Unit Fully unlocked for all Land Rover vehicles
BA 5092	Full unlock code

This diagnostic tool can be unlocked for a further 29 vehicle manufacturers and all with one diagnostic plug from 2001 onwards.
The HawkEye Pro is an in-depth diagnostic tool whether you're looking for MIL (malfunction illumination light) fault, hand brake, CANBUS faults or just re-coding injectors, HawkEye Pro is the tool for you.

The HawkEye Pro tool can be unlocked for the following vehicle manufacturers

Alfa Romeo	GM	Lexus	Mitsubishi	Skoda
Audi	Honda	Mazda	Nissan	Toyota
BMW	Hyundai	Mercedes-Benz	Porsche	Volvo
Citroen	Jaguar	MG Rover	Peugeot	Volkswagen
Fiat	Innocenti	Mini	Renault	
Ford	Lancia		Saab	

See the following pages for the full application data for both Hawkeye and Hawkeye Pro units.

Range Rover Sport (L320)	Global Function - Clear DTCs	2012 -	High Speed CAN Clear DTCs		X						J1962 (BA 5071)	
Range Rover Sport (L320)	Global Function - Clear DTCs	2012 -	Medium Speed CAN Clear DTCs		X						J1962 (BA 5071)	Black (BA 5080)
Range Rover Sport (L320)	Global Functions - ECU Reset	2012 -	High Speed CAN ECU Reset						X		J1962 (BA 5071)	
Range Rover Sport (L320)	Global Functions - ECU Reset	2012 -	Medium Speed CAN ECU Reset						X		J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Drive - Diesel EMS	2012	PCM - Power Train Control Module (Diesel)	X	X	X	X			X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Drive - Petrol EMS	2012	PCM - Power Train Control Module (Petrol)	X	X	X	X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Drive - Transmission	2012	TCM - Transmission Control Module	X	X		X			X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Drive - Transmission	2012	GSM - Gear Shift Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Drive - Transmission	2012	GSMB - Gear Shift Module 'B'	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Drive - Transmission	2012	RDCM - Rear Differential Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Chassis - ABS/ DSC	2012	ABS / DSC - Antilocking brake System / Dynamic Stability Control	X	X	X	X				J1962 (BA 5071)	

Vehicle Model	System	Years	System Name	Read DTCs	Clear DTCs	Live Data	ECM Data	Actuators	Programming	Maintenance	Cable	Adapter
Range Rover Evoque (L358)	Chassis - Steering Angle	2012	SASM - Steering Angle Sensor Module	X	X	X	X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Chassis - Parking Brake	2012	PBM - Park Brake Module	X	X					X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Chassis - Power Steering	2012	PSCM - Power Steering Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Chassis - Suspension	2012	ADCM - Adaptive Damping Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Chassis - ATCM	2012	ATCM - All Terrain Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Airbag	2012	RCM - Restraints Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Airbag	2012	OCS - Occupancy Classification System	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Climate Control	2012	HVAC - Heating Ventilation Air Conditioning Control Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Body Controller	2012	BCM - Body Control Module	X	X		X			X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Instruments	2012	IPC - Instrument Panel Control Module	X	X		X			X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Lighting Control	2012	HCM - Headlamp Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Lighting Control	2012	HCMB - Headlamp Control Module 'B'	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Parking Aid	2012	PAM - Parking Aid Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Object Detection	2012	SODL - Side Object Detection Control Module - Left	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Object Detection	2012	SODR - Side Object Detection Control Module - Right	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Immobiliser	2012	BCM - Body Control Module	X	X		X				J1962 (BA 5071)	
Range Rover Evoque (L358)	Body - Fuel-Fired Heater	2012	FFH - Fuel Fired Heater	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Seating	2012	DSM - Drivers Seat Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Seating	2012	PSM - Passenger Seat Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Doors	2012	DDM - Drivers Door Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - Doors	2012	PDM - Passengers Door Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - KVM	2012	KVM - Keyless Vehicle Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Body - RGTM	2012	RGTM - Rear Gate/ Trunk Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	AAM - Audio Amplifier Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	ACM - Audio Control Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	FCDM - Front Control / Display Interface Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	FCIMB - Front Control Interface Module 'B'	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	DABM - Digital Audio Broadcast Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	SRM - Satellite Audio Unit Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - Audio and Video	2012	TVM - Television Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)

Vehicle Model	System	Years	System Name	Read DTCs	Clear DTCs	Live Data	ECM Data	Actuators	Programming	Maintenance	Cable	Adapter
Range Rover Evoque (L358)	Infotainment - REM	2012	REM - Rear Entertainment Module	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Infotainment - IPMB	2012	IPMB - Image Processing Module 'B'	X	X		X				J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Service Function - Service Reset	2012	IPC - Instrument Panel Control Module							X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Global Function - Clear DTCs	2012	High Speed CAN Clear DTCs		X						J1962 (BA 5071)	
Range Rover Evoque (L358)	Global Function - Clear DTCs	2012	Medium Speed CAN Clear DTCs		X						J1962 (BA 5071)	Black (BA 5080)
Range Rover Evoque (L358)	Global Functions - ECU Reset	2012	High Speed CAN ECU Reset							X	J1962 (BA 5071)	
Range Rover Evoque (L358)	Global Functions - ECU Reset	2012	Medium Speed CAN ECU Reset							X	J1962 (BA 5071)	Black (BA 5080)

Product Listing
3 LED Heavy Duty Rubber Torch 164
16" Sawtooth X Tech Alloy 123
500w Single Socket Inverter 157
A' Bar - Plastic (For Winch) 131
Adaptable 10-1 Compact Tool 174
Advance Xenon Timing Light 182
Air Conditioning Kit 9
Air Conditioning System Cleaner 192
Air Duct Grille 55
Air Intake Blanking Plate 56
Air Intake Cowl 55
Alldrive Bit/Socket Set 167
Alldrive Socket Set 167
Alldrive Socket Set 169
Alldrive Socket Set 169
Aluminium Aero Bars (Pair) 151
Aluminium Bonnet Hinges 63
Aluminium Centre Panels 4
Aluminium Clock Surrounds 2
Aluminium Door Hinges 63
Aluminium Fairlead 143
Aluminium Fuel Tank Guard 104
Aluminium Gear Knob 6
Aluminium Gear Stick Assembly 6
Aluminium Gear & Transfer Knob (Set) 6
Aluminium Heater / Vent Controls 4
Aluminium Seat Release Handles (Pair) 4
Aluminium Speaker Surrounds 4
Aluminium Stalk End Caps (Set of 3) 6
Aluminium Transfer Knob 6
Aluminium Transfer Stick Assembly 6
Aluminium Window Blocks 63
Antifreeze 192
Anti Theft Plate 129
ATF Fluid 190
Automotive Bit Set 169
Auxiliary Lamp Fitting Kit 84
Auxiliary Lamp (Pair) 75
Badge 66
Battery Charger Smart (12v 5amp) 175
Battery Charger Smart/Analyser 175
Battery Isolator Switch 144
Bearing Race and Seal Driver 184
Bikini Hood 116
Black Clock - Pod 3
Black Door Hinges 63
Black Window Blocks 63
Bonnet Hinge Bolt Kit 65
Bonnet Protector 100
Bonnet Protector Flat Black (Plain) 3mm 101
Bonnet / Tailgate Support 176
Booster Cables 156
Boot Tread Cover 63
Borescope Camera 183
Bow Shackle (4.75 Ton) 143
Bow Shackle (8.5 Ton) 143
Brake Bleeding Kit 181
Brake Disc Measurement Gauge 180
Brake Fluid Tester 181
Brake Pipe Corrosion Tool 180
Bulb Kit 155
Bulkhead Removal Bar 9
Bumper and Light Kit 52
Bumper Bolt Kit 65
Bumper (Rear) Heavy Duty 98
Bumper with Winch Mount 131
Bumper with Winch Mount 131
Camouflage Tree Effect Protective Seat Covers 27
Camshaft Locking Tool 184
Canvas Hood 3/4 Length 114
