Heater plug upgrade kit	<b>117</b>
Hylomar sealants & compounds	<b>118</b>
Ignition lead sets	<b>118</b>
Land Rover cleaners, fluids & oils	<b>119</b>
Liquid gloves - Britpart	<b>109</b>
Swivel housing grease - Britpart	<b>109</b>
Swivel pin kits	<b>120</b>
Timing kit	<b>120</b>
Wheel bearings	<b>120</b>
Wing protectors	<b>120</b>

## AUTOMATIC TRANSMISSION SERVICE KIT

## DA4500

Kit comprises of oil screen, seals, o-rings and sealing washer.

DA4500

## BRITPART LIQUID GLOVES

## DA5650

Britpart Liquid Gloves Hand Barrier Cream. No need to use hot water, soap or chemicals, easily removed with cold water! Biodegradable. Protects hands from grease and grime. Prevents ingrained dirt, cracks and calluses. Moisturises and softens hands. Specially designed for the automotive industry. No need for hot water, soap or chemicals. Viable alternative to latex gloves. 1 litre bottle.

No need to use hot water, soap or chemicals to protect your hands!

DA5650

## BRITPART SWIVEL HOUSING GREASE

**STC3435** 370gm bottle

**STC3435S** 370ml sachet

- > Formulated for all leaf & coil spring Land Rover, Discovery and Range Rover models - 1951 - to date.
- > Lubricates swivel pins and housing seals, protects spheres.
- > A semi-fluid grease designed to withstand shock loading in oscillating joints.
- > Reinforced with solid lubricants, highly resistant to water and salt corrosion.
- > Better lubrication while driving, less leaks while standing.
- > One shot gives 'filled for life' protection.

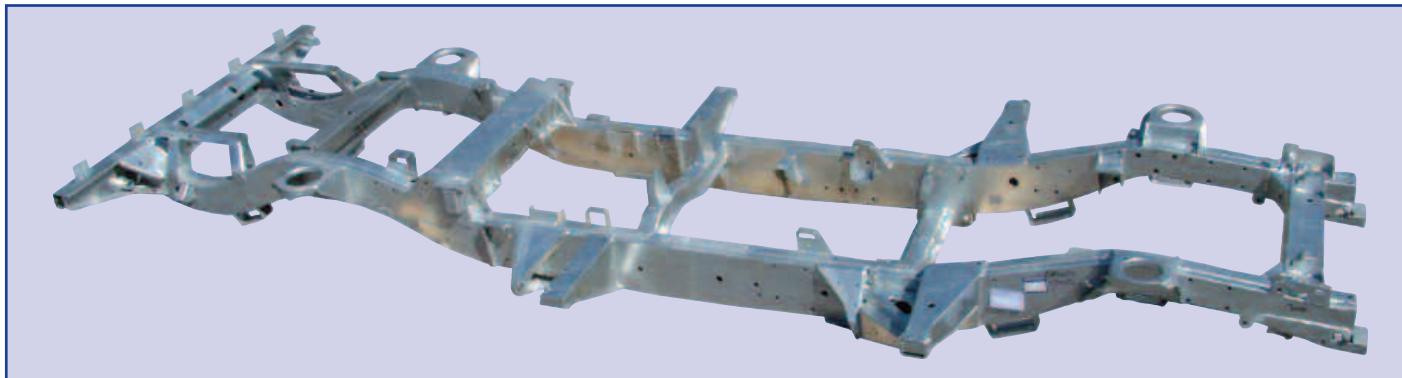

STC3435

STC3435S

## CV JOINT KITS - BRITPART

Britpart has put together these boxed kits to help the fitter have all the necessary parts to do the job in one hit, saving time and money trying to find the necessary parts to do the job. These kits are also helpful to pass over the trade counter instead of having to hunt for the individual parts. One kit does one CV joint.

Save time and money with  
a Britpart CV Joint kit

## HEATER BLOWER MOTOR KIT & RESISTOR KIT

DA4178

### DA4178

Range Rover Classic 1990 - 1994 & Discovery 200 Tdi with air con

Atlantic British has developed this all inclusive kit designed and engineered to replace failed heater motors. The kit includes heater blower motor, blower wheel, motor mounting bracket and mounting screws, heater assembly seals, nylon ties, solder, shrink tubing (for soldered connections) and complete instructions.

**Note** - When replacing the heater blower motor the vehicle's resistor must be upgraded to DA4178RESISTOR

### DA4178RESISTOR

The air con blower motor resistor controls the speed of the blower motor and the force of the airflow out of the dash vents, it features a thermal-sink aluminium mounting plate that dissipates circuit heat effectively.

## HYLOMAR SEALANTS & COMPOUNDS

### RTC3347

Hylomar Universal Blue - gasket & jointing compound

- > Non setting universal jointing compound
- > Resistant to fuels, coolants and lubricants
- > Use on gaskets and machined metal surfaces
- > High temperature capability up to 250°C
- > Unlimited assembly time
- > Easy disassembly for service maintenance
- > Allows for differential thermal expansion of components
- > Excellent vibration resistance
- > 100g tube

RTC3347

RTC3254

### RTC3254

Hylomar 101 Silicone Sealant - gasketing, sealing & bonding compound

- > Engineering grade
- > Forms any size or shape of gasket instantly
- > Remains flexible, will not shrink
- > Bonds to metal, glass, ceramics, plastics, fibres and wood
- > Resists most solvents
- > Electrical insulator
- > Maximum constant operating temperature 250°C
- > Neutral curing
- > Ensure surfaces are free from oil and grease
- > 85g tube

STC4404

STC4600

### STC4404

Hylomar 607 Silicone Sealant

- > Excellent gap filling properties
- > Engineering grade
- > Forms any size or shape of gasket instantly
- > Remains flexible, will not shrink
- > Bonds to metal, glass, ceramics, plastics, fibres and wood
- > Resists most solvents
- > Good fluid resistance - not petrol or diesel
- > Electrical insulator
- > Maximum constant operating temperature 250°C
- > Neutral curing
- > Tolerant of some oil and grease, ensure surfaces are clean
- > 300ml cartridge

### STC4600

Hylomar 3400 Anaerobic Gasket Compound

- > Excellent resistance to automotive fluids including fuels
- > Operating temperature -40°C to 150°C
- > Machined metal to metal surface only, not suitable for pressed steel
- > No gap filling
- > Latest generation anaerobic gasket compound
- > Single part product
- > Suitable for K-series engines
- > Ensure surfaces are free of oil and grease
- > 300ml cartridge
