Handy and easy to use!

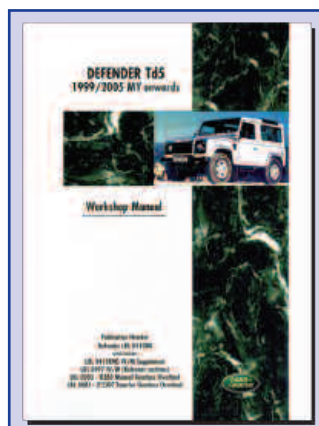

Note - Minimum system requirements - Windows 2000 or XP/Pentium III/64MB RAM/Adobe Acrobat Reader Vr 6.0. They are not currently Vista compatible but will be when Windows issue Service Pack 1.0 for Vista. Due to copy protection the CDs only work on Macs with Intel processors running Windows.

These are an exciting new range of original technical publications on CD-Rom. On the CD you'll get original parts books, workshop manuals and handbooks. Each CD-Rom focuses on one model as shown above and each has the same format: the original parts catalogues (from parts book and/or microfiche, as appropriate) are followed by the workshop manuals and driver's handbooks, all reproduced in an easy-to-use and easy-to-print PDF format.
