Unbreakable Mirrors for Defenders

- > Optical quality polycarbonate lens - will not shatter like glass or discolour in sunlight
- > Strong, flexible polypropylene casing - will absorb hard blows without breaking
- > Universal - can be fitted to either left or right of vehicle
- > Lightweight - puts less strain on body fixings
- > Hard lacquer coating on lens - will repel condensation and surface water
- > Excellent reflectivity - superb daylight and night time vision

Good visibility is imperative on today's highways and byways so these new high impact resistant mirror heads are essential stock items.
